THEIR SLOGAN

**HISTORY OF KAMPOENG CYBER**

- Around July 2008, ideas to present the uniqueness of the neighborhood in the Internet by creating a blog
- Giving (low cost) Internet access to the neighborhood
  - Feasibility
  - Knowledge transfer across generations
“GOTONG ROYONG”: COMMUNAL WORK
CABLING
I AM WATCHING YOU 😊
CHALLENGES

- No Personal Computers at home
- Less knowledge in IT and Internet
  + Education
- Why do I need Internet?
- I need an Internet access to learn how to give an Internet access to the neighborhood
EVERYTHING IS SIMPLE
EVERYTHING IS SIMPLE
FREE INTERNET FOR RESIDENTS
Modern twist. Artist Iwan Setiyawan shows his painting and his website at Kampoeng Cyber (Cyber Village) at Patehan in Yogyakarta. Easy Internet access has helped local artists sell their work overseas, assisting Iwan to communicate with buyers in Europe. JG Photo/Boy T Harjanto
